...at the **forefront**
of **survival**
technology

- World-wide reputation for outstanding service in the safety and survival equipment industry
- Complete range of commercial and leisure products specific to individual requirements
- Flexibility of an extensive global servicing network
- Quality management system approved to BS EN ISO 9000

Seasava Plus R Liferrafts

RFD Seasava Plus R

- Designed specifically for the leisure marine market and based on RFD's renowned commercial SOLAS approved liferaft, the Surviva
- The ultimate liferaft to install on board the off-shore leisure vessel or racing yacht
- Extended servicing period of three years

Ancillary Equipment

RFD offers a variety of ancillary equipment for the Seasava Plus R range including:

- Hydrostatic release units
- Radar reflectors
- EPIRBs (Emergency Position Indicating Radio Beacon)

Stability

- Weighted water pockets
- Anti-tangle drogue (sea anchor)
- Aerodynamically designed canopy

Insulation

- Foam insulated floor (optional)
- Simple to close, weather-tight canopy

Visibility

- High visibility canopy
- Retro-reflective panels

Durability

- Manufactured from corrosion and abrasion resistant, lightweight polyurethane (PU) coated nylon material

Emergency Packs

- Seasava Plus R liferafts contain an emergency pack that complies with the International Sailing Federation (ISAF) special regulations ("R" Pack)

Stowage

- Seasava Plus R liferafts have the flexibility of offering two packaging options; either a weatherproof, lightweight valise or a tough, fibreglass container
