# ERGOFIT 190 PRO

The ErgoFit 190N PRO maintains all of the high specification safety features on the inside as the ErgoFit 190N Offshore, whilst minimising features on the outside. A 3D-moulded lifejacket with the advanced specification on the inside to excel for all coastal and offshore water users.

With its intelligent cut-away profile, it allows you total mobility, leaving your body, limbs and hands unhindered and free to move, work and perform. Being easy to wear, versatile, stylish and completely functional, it is ideally suited to recreational users and the marine work environment alike.

**KEY FEATURES**

- Fusion 3D design provides the ultimate in comfort
- A transparent indicator 'window' on the front of the jacket showing the status of the inflator, allowing you to check your lifejacket is in working order without having to unpack and repack the jacket
- Dual buckle system and side waist adjusters, uniquely designed to ensure swift donning - essential if the wind gets up and it's all hands on deck
- Dual lightweight soft loop D-rings for attaching safety line
- Unique bladder distribution, providing turning solutions in less than three seconds and allows you to move your arms freely
- A built in inflatable chin support tilts your neck back and keeps your airways clear
- AIS compatible, allows for automatic activation on inflation

## BLADDER

Built in spray hood includes additional piping and breather holes to keep it off your face and aid visibility

Built in inflatable chin support

AIS attachment, AIS activates automatically on inflation

Manual oral inflation tube for additional air top up

Built in lifejacket light and whistle

Twin lifting beackets

PLB attachment point

The most up-to date MA1 and UML pro-sensor Mk3 operating heads

Reflective tape to aid visibility

190N inflation chamber providing exceptional turning solutions even when wearing heavy clothing

Unique buoyancy distribution

Crotch straps to reduce jacket ride up
